CRY FOR HELP

Many members will remember a plea for new committee members last year in order to keep the club running at the same level that it has in previous years. To continue running the club in the way we want, with numerous events as we do now, we need a committee with varied skills and abilities to help organise and run the club events. At the end of this season there will again be some resignations from the committee and we need new people to step forward to help the club continue operating as it does now, in the way which you

have come to enjoy. No matter how much or little you think you could offer to the club, we would love to hear from you or if you can think of any friends or family who are not currently members that would be interested in joining the committee then please ask them to get in touch too. If anyone is interested, or would like further information, please email Hannah at Hannah@hadlowridingclub.co.uk.

RESULTS & ROUND UP OF NEWS

TREC Clinic

The Trec Clinic was a huge success and Clare ran a brilliant training session. It was perfect for those of you who have never had ago and also great for those who had. The day was full of surprises with owners being surprised at what their horses took in their stride. Unfortunately the rain didn't stay away, but it didn't dampen the spirits.
